## WAVELAND 100 YEARS

This year begins the centennial for Waveland, 100 years of golf. The Wave will have several such celebrations over the next several years to celebrate its place in the archives of golf. One hundred years ago the land was dedicated for use as a park/golf course. We will be having a number of events throughout the coming year to show our appreciation and help improve the "Old Goat Farm".

## W.G.A. SPRING TEE OFF

The 1994 Spring Tee Off (formerly known as the Banquet) will be held on Tuesday evening April 5th. Sign-up will begin at 6 p.m. with beer and soft drinks provided. The meeting will be held following the sign-up (approx. 7 p.m.). Interspaced with the meeting will be the annual Les Calvert golf equipment raffle. We are once again placing a cap on the number of league players at 176 to keep things manageable. Should we have more than that number sign-up on April 5th we will naturally allow everyone to play, so come to the Tee Off and register to avoid missing "the cut".

## W.G.A. DUES

With the increasing costs of everything else nowadays, we are happy to announce that dues will remain at \$37.50 - \$27.50 for W.G.A. (this includes U.S.G.A. Handicap Service) and \$10.00 for Tuesday Night League. You can join and support the W.G.A. without joining the league.

## W.G.A. LEAGUE

The W.G.A. League will begin the 1994

season on Tuesday, April 26th with a Fun Night. This will give everyone a chance to meet fellow team members and get a jump on some early prize money.

## 1993 WINNERS

Even though 1993 proved to be a bit of a washout at times, there was still some golf played. The 1993 League Champions were The Masters who won out over The Best Shots, the first half champs. Our Scratch Champion was Brent Johnson who went on to represent Waveland at the Tournament of Champions in Atlantic, Iowa. Our Handicap Champion was Greg Olson. Match Play Tournament Champion was Paul Anderson. Congratulations to all!

## NATIONAL TOURNAMENTS

Two of our members qualified to play in national competition. George Turner (a former W.G.A. board member) qualified to play in the Senior U.S. Open at Cherry Hills in Denver, Colorado. Brent Johnson qualified for National U.S. Pub-Links at Riverdale Dunes in Brighton, Colorado.

## W.G.A. MATCH PLAY TOURNAMENT

Once again we will be having match play. This has proven to be very popular and fills up quickly. Play is limited to the first 64 who enter. Jon Turner and Mark Leachman will be handling sign-up at the Tee Off registration.

## HANDICAP

This is particularly important to new members (and some old ones who always ask about it every year). New members must have at least 5 eighteen

hole scores posted to establish your W.G.A. league/U.S.G.A. handicap. These scores may come from play at other courses but remember to include that course rating etc. when posting these scores on our handicap sheet. Until you have 5 full rounds posted you will not have a handicap for league play, so you will be playing scratch. If you had a handicap with us last year then that does carry over to this year. You will find these sheets on the W.G.A. bulletin board near the front entrance of the clubhouse.

## A CHANCE TO CONTRIBUTE

We are working with the City Parks & Rec. Dept. to allow us to have one day when we can actually get out on the course and do some hands-on help with some improvements and maintenance that doesn't normally get done due to lack of staff and other course priorities. Watch the W.G.A. bulletin board for details.

## COURSE CONDITIONS

As you are all aware, Mother Nature did not favor us last year including Waveland. It seemed to be a never ending battle to maintain a semi-playable course. If you've driven by since last fall (and no snow on the ground) you have probably noticed white tarps on the greens. These are intended to stimulate growth and create a better root structure. Scott and his crew were just as frustrated as the rest of us over conditions and are doing everything possible within the restrictions that they face to improve course conditions. We thank them for their effort and wish them good weather conditions to get the job done.
